

Documation LLC wins a national “Best in the Country” Benny Award

Documation LLC has received a coveted “Benny” award from the Printing Industry of America’s 2011 Premier Print Award competition. From more than 3,200 entries from companies in 13 countries, a distinguished panel of judges reviewed all submissions and selected the very finest in each print media category. Documation’s “Benny” award represents the “Best of Category” of all entries in the “Print & Graphic Arts Self-Promotion” classification for Documation’s *“America’s Association Printer”* magazine. The Benjamin Franklin “Benny” statue is recognized as the “Oscar” of the printing industry – to win, an entry must be flawless. Documation serves association, continuing education, and custom publishing markets nationwide.
