The Microscopy Society of America (MSA) Selects Drohan Management Group for Association Management Services

October 7, 2008 (Reston, VA) – The Microscopy Society of America (MSA) has selected Drohan Management Group (DMG) as the organization’s new service and support team. DMG began its partnership with MSA July 1, 2008, and will provide full-service management for the group.

The Microscopy Society of America is a non-profit organization dedicated to the promotion and advancement of the knowledge of the science and practice of all microscopical imaging, analysis and diffraction techniques useful for elucidating the ultrastructure and function of materials in diverse areas of biological, materials, medical and physical sciences.

“We look forward to helping the Microscopy Society of America continue its mission to promote and communicate advances in microscopy,” said Bill Drohan, President of DMG. “Our staff is dedicated to providing the members of MSA with the professionalism and excellent services that DMG’s clients have come to expect over the years.”

DMG is a full-service Association Management Company based in Reston, VA. The company has been operational since 1986, and its executives have over 200 years of combined experience in the association field. DMG has a staff of 40 and manages 20 national and international organizations on both full-service and project bases. For more information about DMG, visit www.drohanmgmt.com.
