FOR IMMEDIATE RELEASE

**The American Board of Phlebology Selects Drohan Management Group for  
Association Management Services**

**October 7, 2008 (Reston, VA)** – The American Board of Phlebology (ABPh) has selected Drohan Management Group (DMG) as the organization’s new service and support team. DMG began its partnership with ABPh September 1, 2008, and will provide full-service management for the group.

The American Board of Phlebology was established in 2007 to improve the standards of medical practitioners and the quality of patient care related to the treatment of venous disorders by establishing educational standards for teaching and training programs in phlebology.

“Raising the standards of care for patients with venous disorders is an important cause,” said Bill Drohan, President of DMG. “Our staff is proud to be helping the certification board reach their professional goals and looks forward to taking ABPh to new heights in the years to come.”

DMG is a full-service Association Management Company based in Reston, VA. The company was founded in 1986, and its executives have over 200 years of combined experience in the association field. DMG has a staff of 40 and manages 20 national and international organizations on both full-service and project bases.
