NELiX NOW *iMIS* CERTIFIED

NELiX, Inc., an award winning website design firm, proudly announces our certification as an ***iMIS* Authorized Consultant**, one of approximately 60 nationwide. *iMIS* is the flagship product of **Advanced Solutions International (ASI)** and the leader in association management software systems.

The partnership of ASI and NELiX provides modern associations with a single resource for high-end, aesthetically pleasing designs seamlessly combined with the feature rich power of *iMIS*.

Whether you are about to purchase *iMIS* or if you already use it, NELiX' experienced staff will provide the expertise you need to implement *iMIS* and deploy new features with the professional polish that will impress all of your members!

Any association management company or a self managed association considering an upgrade to your back office management system should contact NELiX today! We can assess your needs and determine if *iMIS* is a good fit for your association(s).

If *iMIS* is right for your organization, NELiX can help you get started with ASI and support the launch and integration.

If *iMIS* isn't quite right, NELiX can provide alternative solutions which best suit the goals and needs of your association.

*** Special Offer ***

To celebrate the partnership between ASI and NELiX, as well as our *iMIS* Authorized Consultant status, NELiX is offering a 10% discount on all development services involving *iMIS*.

Contact us today to find out more about taking advantage of this offer.
